Well, it's over. Another year down, and like most years, it had it's joys and it's sorrows. And now we're left with the memories. That's what this book is about. The memories. Causing you to remember is our reason for exisiting. So we've tried to put this year together as best we could, recalling the sights seen and the words spoken. We could not capture everything or every person's experience, but that's not really our goal. As we said before, our goal is to cause you to remember. Even if your picture's not on every page, you ARE on every page because you were here. And what these pages reflect were part of your year.

"Seasons" is the theme of this book. Maybe because seasons are one of the ways we have of marking time. Or maybe because seasons are things that we go thru, one following another, without REALLY being aware of the change and the growth that the passing of time has caused. Often it is only in the looking back that we see that growth. We hope this book can help you see that.

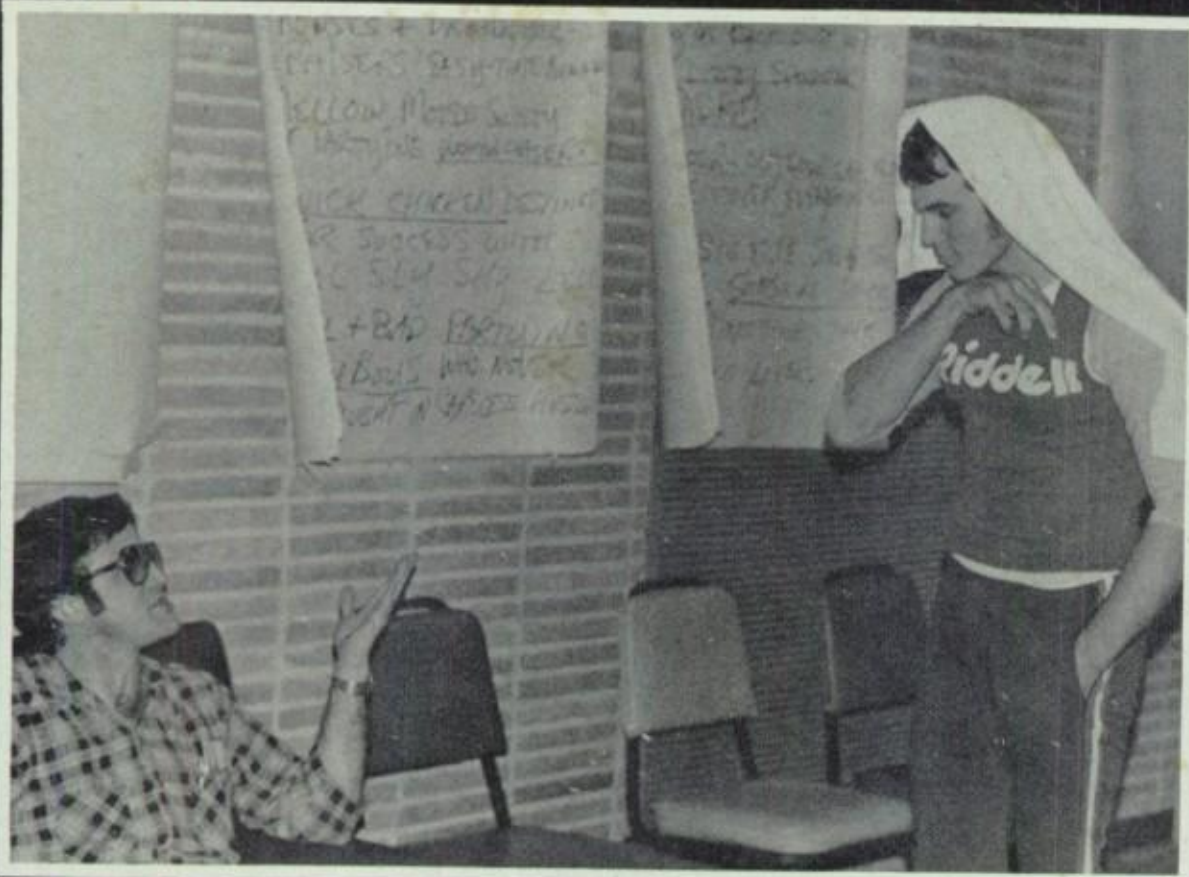

We hope, too, that one day you stop and reflect that where you are is a result of what you have done--that you are the sum total of all the seasons that you have passed through and that you are the beginning of seasons yet to come.

Peace.

CHRISTIAN LIFE COMMUNITY

Fr. Regan

Fr. Piraro

CLC began a very active year with a retreat for all its members. This gave the group a chance to grow closer together and to set goals for the year. Activity seemed to be the main goal of CLC this year as they worked on many projects including making banners for Masses, putting Christmas baskets together and distributing them, participating in an Advent walk and finally putting on a Lenten Assembly. Theresa Regan served as President of the group with Blanche Futch as Vice-President, Stephanie Sigur as Secretary and Melanie Buttross as Treasurer.

French Club

This year's French Club was active during the school year. They held the traditional French Dance with French music provided. They also topped off the year with a French Banquet for the members and a Crawfish boil. Officers for this year's Club were Jeannie Ottenweller, President and Lizette Chol, Vice President. The group would like to thank Mrs. Zahm for all the help and patience she gave us.

Speech Club

This year the Speech Club has been a great success, sending two of its members to Washington, D.C. Mrs. Barnes added to the success by being advisor. Sue Colston-president.

LIBRARY CLUB

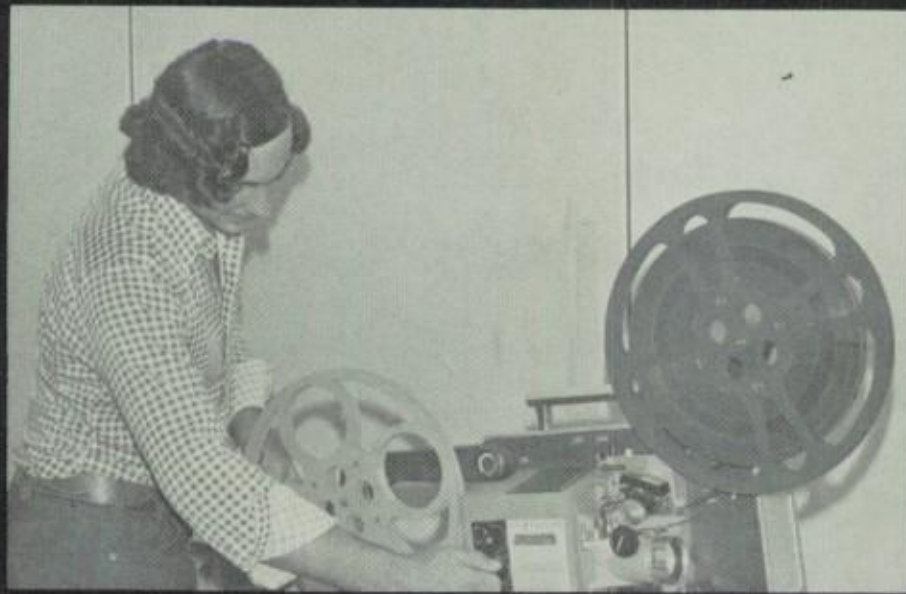

This year's Library Club credited St. Louis. Officers were: Pres.- Suzanne Landry, Vice-Pres.-Lisa Derouen, and Treas.-Cora Orphe. Mrs. Corbello aided the group which attended a convention in Baton Rouge.

This year five students were chosen to participate in Pelican State. The purpose of the program is to give students from all over Louisiana experience in government. The government at Pelican State is paralleled to that of Louisiana. The participants are divided into the Nationalist and Federalist parties. Anyone can run for office. The trails are presided over by Judge and District Attorney. Conventions are held in the same manner as that of the Democratic and Republican conventions. Many students agreed after participating in Pelican State it was very interesting and enjoyable despite long hours and hard work. Participants this year were Mike Bodin, Lizette Chol, Consula Colston, Jerry Forest, and Jeannie Ottenweller.

Homecoming

Homecoming 1977 was really something to look back on. The entire student body and faculty anticipated the night of the game.

Interest was first aroused during election of the court. Many girls were nominated out of the Junior and Senior classes. Eleven excited young ladies were chosen by the student body to participate on the court. Many festivities took place during the week of Homecoming. Among the many festivities, each class was busy preparing for the game and the parade by building class floats and decorating club cars as well as individual cars. The pep rally played a major role this week. It was here that the school spirit was really tremendous. The 1977-78 Homecoming Queen, Lucy Pharr, along with her first and second runners-up were announced.

Boy! Do I feel STUPID!

Lost Mike?

Drunkards, Muggers, and Thieves.

Was that a STREAKER I saw?

Can you handle two at once, Tim?

CONGRATULATIONS !

NOW what do I do?

Cheerleaders led the spirit.

Lookin' good!

Hey Mike, don't look so excited!

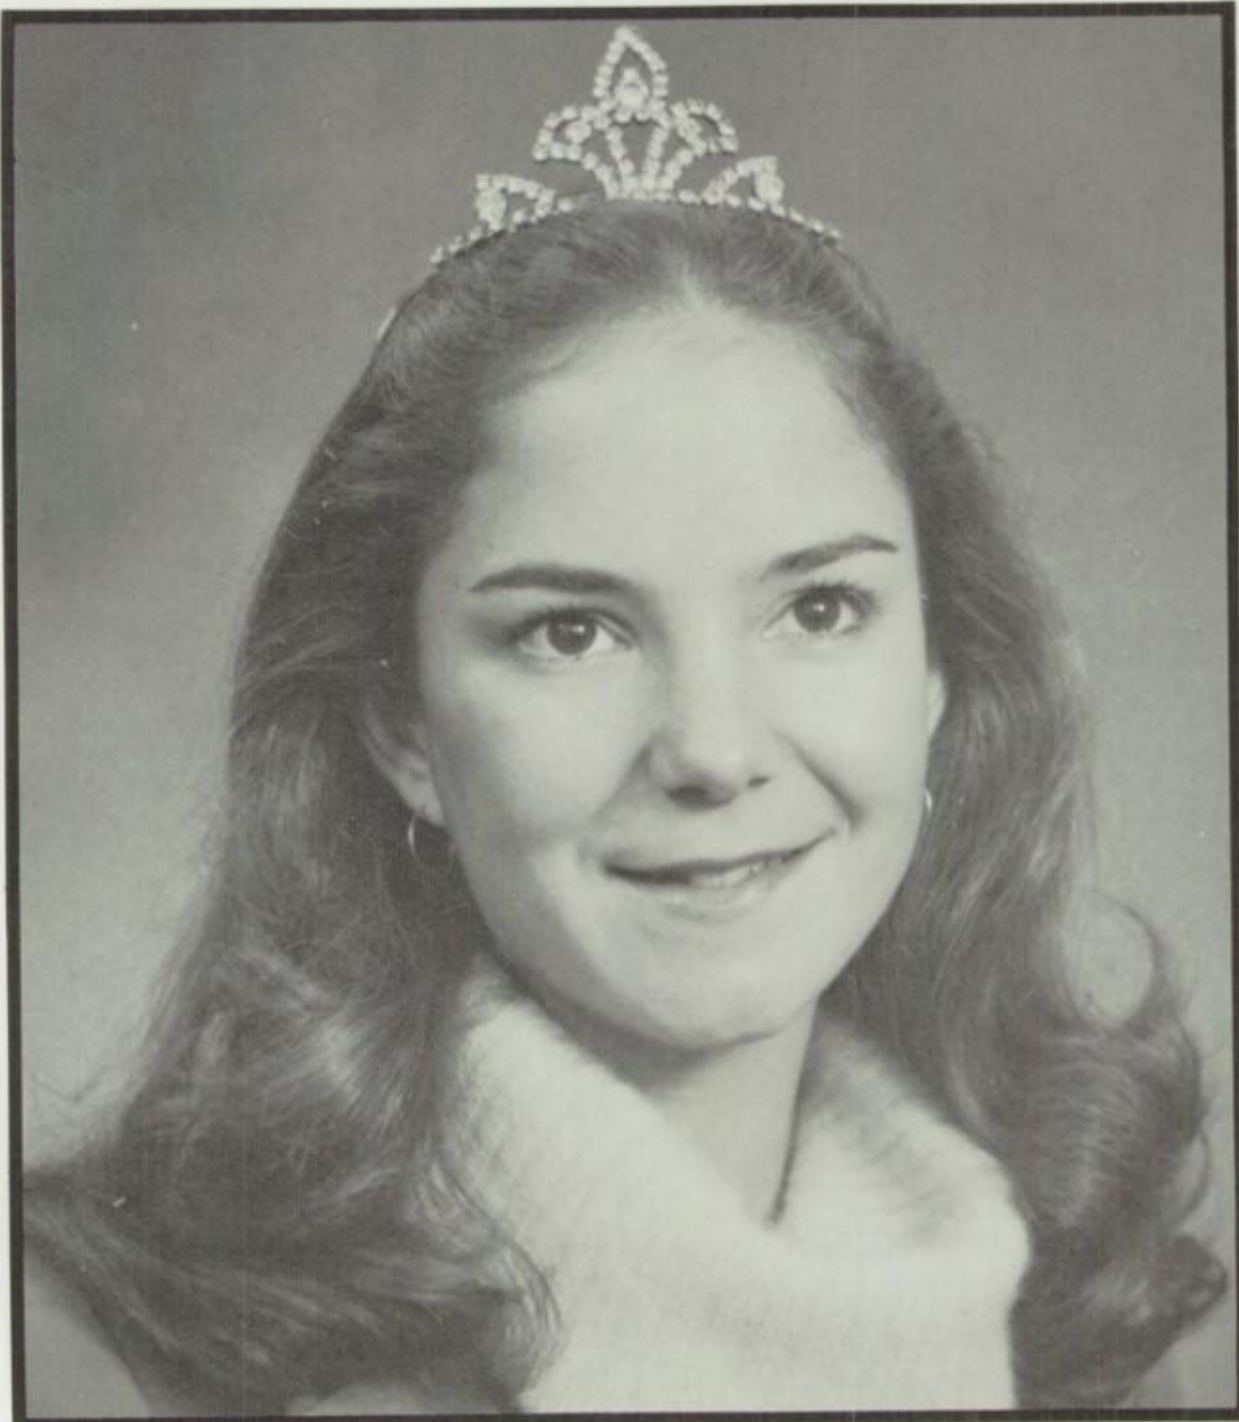

The 1977 Homecoming Parade from St. Louis to LaGrange Stadium was a big success. Led by the Blues, the colorful class floats and decorated cars attracted many onlookers. The Sophomore float, "Saint's Smoke House", received first place in the float division while CLC was voted best club car. Corrie Pratt won the award for best decorated student car. Congratulations goes to all those who participated in the success of the Parade.

Sophomores had #1 business with "Saint's Smoke House".

St. Louis Says Goodbye To Fr. Piraro

On November 17, 1977 St. Louis had a mass in honor of Fr. Don Piraro's new assignment in Lafayette. During the mass, Fr. Piraro received gifts from the faculty, the student body, CLC, and the Come Lord Jesus group. After receiving the gifts, Fr. Piraro thanked all those present and told us how we were a part of him. Many people will miss the presence of Fr. Piraro around St. Louis. His stay here was a memorable one. Although his stay was a short one, Fr. Piraro will go down as being one of the most influential persons in the history of St. Louis.

BAND

Mr. Faul
Director

In their second year, The Spirit of St. Louis is really going strong. The band has taken a strong part in backing the Saints with their support. The band has been a large part of the pep rallies, football games, and other various activities around the school. Thank you for all you have done for St. Louis and keep up the 'spirit'.

Football

The St. Louis Saints gained the respect of fans and foes alike as they marched this year to 2nd Place in 5-AA competition and reached Quarter-Finals in State Competition. The Saint Team was hard-hitting and tough. Combining this with their undefeatable spirit and the "word of the week" -- WIN!, the Saints managed to pull through some tough situations. The Saints added variety to their game, particularly in passing. All in all, it was a season worth remembering with valiant effort by all.

Harvest Festival yielded its usual amount of fun and games, and food that none of us needed to eat. Along with increasing our waistlines, we managed to increase our treasury by \$17,000. Talent was also in abundance making this year's Variety Show one of the best. Even our jail was a profitable venture as Fr. Regan conned unsuspecting victims for \$110 to free himself. Most people felt the best part of the day, however, was dinner. (What can you expect from this group?) The turkey, sweet potatoes, dressing, beans, and bread were delectable.

Basketball

St. Louis Basketball was, this year, if not totally satisfying, at least exciting. Although our record was not as good as the team had hoped it would be, we still can be proud of a courageous bunch of players who put 100% effort into their drive and who practiced relentlessly under the guise of Coach Shaver. One of the high points of the season was pulling through and beating a couple of teams that no one thought we could beat. Although the Basketball season is over we know that the work for those players will continue and we wish them all the best for their efforts.

This year, the Spanish Club grew in number to seventeen. The president, Melinda Thibodeaux and the secretary, Ramona Malone headed the group, and Mrs. Jones was the sponsor. To experience Spanish culture, the club prepared south of the border dishes.

MATH CLUB

This year's Math Club headed by John Moranski, Pres., began a new program in tutoring. Each member of the club, took a student that needed help and gave them aid in Algebra or Geometry. It really was a great help to many people. Many thanks!!

Science Club

The purpose of the Science Club is to further the interest in science and science oriented professions and also to help students get grants through the National Science Foundations. The officers are: Pres.-Michael Bodin, Vice-Pres.-Mary Shaddock, Sec.-Treas.-Melanie Buttross. One activity of the club is the Science Fair on Feb. 24, this year. Awards are given to the students with outstanding exhibits.

DRAMA CLUB

Drama still lives here on campus in the form of the St. Louis Drama Club. Under the leadership of their President, Allison Bergeron, the Drama Club sponsored a very entertaining Variety Show at this year's Harvest Festival even though the number declined the quality did not suffer.

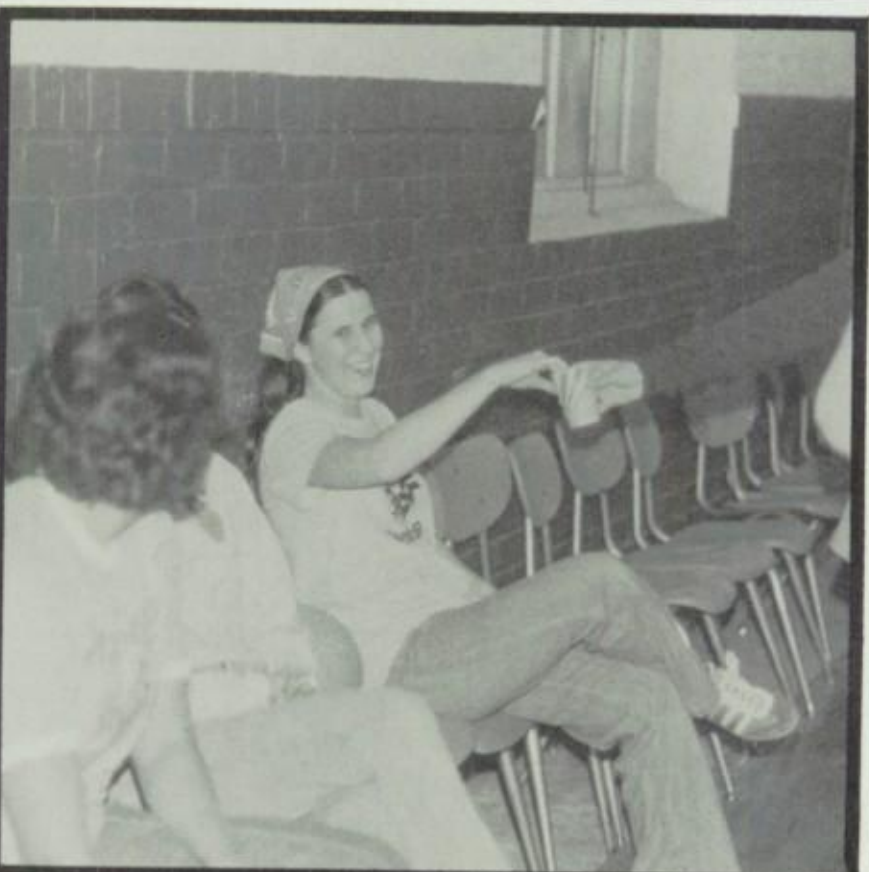

This year's Intramurals had its usual share of thrills and a good time. With Homerooms from the four levels combining their talents to form boys and girls basketball teams, there were plenty of "stars" to watch. Senior teams ended up on top. Then the real fun began. The game between the Senior women and the Faculty women was exciting only to the point that you didn't know what the referees were going to call next or what the teachers were going to do next! (They DON'T know how to play basketball.) The game between the Senior men and the Faculty men was, however, a different story. With only 3 seconds left on the clock a controversial shot found its way to the basket and either (a) won the game for the Seniors or (b) was ruled not in because of walking. You can end it any way you want it!.

District Champion! Four years in a row! We did it again! The main goal of the track team was to be district champions. We reached that team goal. While some fell short of their own personal goals, they did their best and are to be commended for they were out for the track team trying.

The 1978 St. Louis Track Team was one of the best teams in the area. We were well rounded, in more than just relays. We had good distance runners, relays, and field events. Our team did have our own state champions in pole vault, shot put, mile and two-mile. Our success was due to the hard work and dedication of the entire team.

KEY CLUB

Throughout the course of a nine month period, friends are made, activities are had, and clubs are formed. One such club has come about and reigned supreme. This club is the Saint Louis Key Club. By the excellent guidance of Hackberry's own Lloyd Broussard, Jr., outstanding leadership of Gervy Papion, and pure dedication from the rest of the members, the Key Club has been heavily relied upon by all other school organizations. A few of their many outstanding achievements include the beautification of the grounds surrounding St. Louis. Also, many long hours have been put into the collection of money for national organizations such as the Cancer Society.

St. Louis participated in District Literary Rally at McNeese again this year. All who participated placed 1-5. Monica Norwood, Loren Blanchard, Norman Sievert, and John Moranski placed first overall in their events.

A SYMBOL OF EVIL--A REMINDER OF THE POTENTIAL WE HAVE: THE GRAGOYLE HAS BEEN THIS FOR THOSE WHO HAVE HAD THE COURAGE TO CREATE. FOR WITHOUT THE CONSCIOUSNESS OF THE EVIL OF WHICH WE ARE CAPABLE, WE BLIND OURSELVES TO THE POTENTIAL FOR BEAUTY WE ALL HAVE DEEP WITHIN OUR HEARTS.

To a good friend that will always remember
